(c) 2024 James Peterson

CHORUS 1:

F F#dim C/G C C#dim
Vote for me, I know you're angry and you're scared.
G7 C C7

F F#dim C Am C/G
Vote for me, I really think you're great!
F G7 //
Vote for me. I hate everything you hate.

VERSE 1:

C G
Global warming is a hoax. Fossil fuels are safe.
F C
Russia is our pal, we don't need NATO for defense. When the
E7 Am
Constitution's in our way, let's do it anyhow. We'll con-
D7 G7
trol the prosecutions, and I'll pardon all our friends. You

VERSE 2: (You)

C G
know what's best for you, you do research on your own. Truth
F C
Social tells you everything you need for what you do. I just
E7 Am
love your independence, your courage and your faith. Our stuff
D7 G7
wouldn't be online if it weren't true. Y'all should

CHORUS 2:

F F#dim C/G C C#dim
Vote for me, let's go out and have a beer tonight.
G C7
Vote for me, I'm just like you, I think you're right! We'll get
F F#dim C Am C/G
back at those elitist bastards looking down on you and me.
F G7 //
Vote for me, I'll do what you would do, if you were me.

VERSE 3:

C **G**
Don't you dare call me elite, I'm just a reg'lar guy, who don't be-
F **C**
lieve those so-called experts talking everywhere you look. They
E7 **Am**
think we're all too stupid to make up our own minds, on
D7 **G7**
bathrooms, masks, and prayer, handguns, movies, sex and books. Vac-

VERSE 4: (Vac-)

C **G**
cines come from the devil, and experts just love masks. They
F **C**
want control of everything you do or hear or see. I
E7 **Am**
hate those nerdy scientists, they keep changing their advice, flip-flop
D7 **G7**
every time they speak. You can't trust no one but me!

INSTRUMENTAL CHORUS: (organ solo)

F / / **F#o** | **C** / / **C#o** | **G7** / / / | **C** / / **C7** |
F / / **F#o** | **Em** / **Am** / | **F** / / / | **G7** / / - |

VERSE 5: Those

C **G**
desperate people at our borders, trying to get inside: subhuman
F **C**
losers from those shithole countries, want your jobs, that's wrong! They
E7 **Am**
sneak across our borders, then hold out their begging hands. I'll concen-
D7 **G7**
trate them all in camps, till I can send'em back where they belong!

VERSE 6:

C **G**
I'll support all parents' rights to absolute control, of
F **C**
everything our children read or see before they're grown.
E7 **Am**
Parents know what's best for kids, teachers don't know squat. They
D7 **G7**
want our kids to question everything we've always known.

CHORUS 3:

F **F#dim** **C/G** **C** **C#dim**
Vote for me, everything will be all right.
G **C7**
Vote for me, the only one can lead you to the light. Vote for
F **F#dim** **C** **Am** **C/G**
me, I'll never compromise, just to get things done. Vote for
F **G7 //**
me, make sure that our side won't agree with anyone. Only

VERSE 7: (Only)

C **G**
I can save you from all this, you need me for protection. They'll
F **C**
come for you, they hate me just because I'm in their way. I
E7 **Am**
am the light, the only one who knows just what to do. God
D7 **G7**
wants me in the White House, I'll make everyone obey!

CHORUS 1 again:

F **F#dim** **C/G** **C** **C#dim**
Vote for me, I know you're angry and you're scared.
G **C7**
Vote for me, I'm the only one can save you.

Vote for me, I hate everything you hate.
F **G7** **F** **C**
Vote for me, fight for our rights, let's keep this country white.
