INTRO: [|: C /// | G+ /// :|]

CHORUS 1: It's

C **G+**
safe and it's effective, you really oughta try our pill. It'll
C **A7**
treat and maybe cure whatever you got, if you can pay our bill. We
D7 **G7**
set our prices high enough to recover our development costs, and the de-
C **G** **Gm** **C7**
velopment expenses for all those failed attempts that we have tossed. It'll
F **F#dim**
stop your pain, it'll grow your hair back, it'll
C **A7**
make you feel good, make you better at sex. You'll be
D7 **G7** **E7**
young and beautiful and thin again, but there's just a few possible side effects:

VERSE 1:

CHORUS 2: (You oughta)

C **G+**
watch our cool commercials, they cost enough to make. Our
C **A7**
actors look so good, you can almost forget they all are fake. Our
D7 **G7**
prices include the costs of the commercials that we show with pride, plus the large com-
C **G** **Gm** **C7**
missions to our cute salesgirls who get the doctors to prescribe. It'll
F **F#dim** **C** **A7**
fix you right up, put a spring in your step, it'll make you feel good, it'll hide your defects. You'll be
D7 **G7** **E7**
glad you tried it, it's worth the price, but there's just a few possible side effects:

VERSE 2:

Am **G**
Diarrhea, nausea, insomnia or sleepiness,
D7/F# **F**
hypertension, hypotension, blindness or unconsciousness. Ir-
